Will the outcomes of the work be monitored? If yes in what form will the monitoring take place, how frequent and over what period of time?		
Will members of the Woolhope Dome Environmental trust be allowed open access to the site(s) for the purpose of inspection and verification?		
Will a report be submitted regarding the outcome of the works including photos?		

C. FINANCIAL SUPPORT SOUGHT

Please note that grants are based upon twelve-month funding periods. For projects requiring repeat funding it will be necessary to produce annual applications. It is therefore essential that an agreement in principle be sought and that subsequent applications are provided on a timely basis.

Is the funding required from the Woolhope Dome Environmental Trust part of the match funding needed for a larger project?

If Yes please include a copy of the completed application for funding, for which match funding is required and skip to section D of this application

What aspect of the project requires funding? Please note that funding of capital works is generally prioritized. Funding for staffing and expenditure would be considered but generally only reserved for academic research, strategic development and similar studies.

Please provide a breakdown of equipment and materials requiring funding (including VAT) on an annual basis. Add rows as required.

Description and number of items:	Unit cost:	Total:

D. TERMS AND CONDITIONS

Funding is provided on the basis that the project is completed during the time period detailed on this application form. Failure to initiate or complete the project within the given timeframe may require monies to be reimbursed in part or full. A letter from the relevant landowner(s) offering access to the site for inspection and verification by The Woolhope Dome Environmental Trust must accompany this application.

Please send completed application form and supporting documentation to Dr James Bennett.
